

## WEST END CITIZEN OF THE YEAR 2012

### JOYCE ECKETT

Joyce's contribution to the community and wider community is quite impressive and this explains why she is a worthy winner of Citizen of the Year 2012.

Joyce assists at every session for Tringham Day Centre, driving the mini bus, escorting, arranging events and often going beyond the call of duty, for example decorating the mini buses at Christmas and covering cushions and backrests for their chairs. She works regularly at the Woking Hospice Shop in Knaphill and Frimley Park Hospital Friends Shop. Joyce trained, as WRVS, to use a mobile kitchen for the Fire Brigade and on standby has been called out to cook meals for firemen tending to Heath fires. Always generous with her time, Joyce, if available will take people on hospital appointments, pick up prescriptions from the doctors, look after your pet or anything that you may need help with, without any thought of reward. A worthy winner - congratulations Joyce.
